

SKILLS

Ruby on Rails, React.js, Ruby JavaScript, jQuery, Redux, SQL, Git, HTML5, CSS3

PROJECTS

Jangle

[Live Link](#) | [Github](#)

Single Page Chat Application implemented with React/Redux with Rails

- Utilized jQuery for smooth connection between React frontend ajax requests and Rails backend database
- Creates Servers with unique Channels using Rails backend
- Established Rails ActionCable connections for real time message functionality

DataQ

[Github](#)

Ruby ORM

- Interacts with database records with update and insert methods
- Database models linkable through associations
- Filters database records through valid parameters with where method

Lunar Lander

[Live Site](#) | [Github](#)

Gravity based ship landing game

- Created with Canvas and HTML for 2D graphic rendering
- Simulates pseudo physics for gravity influenced falling and key inputs
- Differing collision detection based on terrain and ship sprite

EXPERIENCE

Acupuncturist

J&K Medical Center of Palm Beach Inc.

April 2015 - May 2018

- Diagnosed issues and tailored treatments based on differing/hypothetical cases in end of week meetings to discuss and implement ideas
- Collaborated with coworkers in creating custom protocols to help control or reduce patient symptoms up to 80%
- Handled and simplified office bills by switching to paperless

EDUCATION

App Academy (Summer 2018)

- Immersive software development course with focus on full stack web development
- Rigorous program that accepts < 3% of all applicants

Atlantic Institute of Oriental Medicine (2012 - 2017)

Specialized school with curriculum based on Acupuncture and Oriental Medicine

- Intensive 3 year program with 2+ year Doctoral Program, 1300+ clinical hours
